

Academic Request form for Grove City Christian Accelerated Courses for 2016-2017

Grove City Christian School offers accelerated courses (AP, Honors, Advanced) for grades 7-12 in a variety of content areas. These courses are designed to challenge students who exhibit a strong interest and level of achievement in a particular content area. Students should demonstrate a passion for critical thinking and problem solving by exhibiting a positive attitude and engagement in classroom activities as well as a willingness to display ownership of their learning. Accelerated courses require higher level thinking skills and the ability to explore abstract concepts. In addition to the time spent in class, students must have sufficient time outside of the school day to dedicate to their course work due to the increased rigor these courses require.

Name: _____ Course requested: _____

Please fill in the prerequisites for the course you are requesting found in the GCCS Course and Requirements Guide and the grade percentage that you have had in the course this school year by quarter or the final grade that you received for the course if it has already been completed.
