

Welcome to Grove City Christian Middle School!

We are honored to be able to join with you in this opportunity to provide a Christ-centered education to your student. Our mission is to partner with your family to provide the spiritual and academic foundation that cultivates, transforms and prepares students to be Christian leaders to impact their world.

As we reflect upon this mission, our focus is concentrated on providing an academically rigorous program that challenges your student to think critically through the lens of a Christian worldview. We continually evaluate our curriculum and course offerings to best meet the learning needs of our students and current trends in education. In addition to our challenging academic program we also have a strong emphasis on fine arts, including various bands, vocal groups, strings, and visual arts options. A comprehensive athletic program provides our student athletes with multiple sports to participate in throughout the year.

Our intentional spiritual emphasis is not limited to chapel and Bible classes. Our entire curriculum is taught from a Biblical worldview with an emphasis on challenging our students to know what they believe, and why they hold those beliefs. We are deliberate in planning instruction and teaching to integrate the Bible into each subject area. Students are provided with daily opportunities to grow in their faith and are encouraged to share their faith in real and practical ways through numerous service opportunities.

We recognize that the middle school years are critical years in a student's life and development. Because of this we are intentional in the relationships we build and the opportunities we provide to our students. It is through these relationships and opportunities that we are able to fulfill our mission to cultivate, transform and prepare students to be Christian leaders who impact their world.

Mr. Jim McMillan  
MS/HS Principal
